

March 2026

Dear Friends,

ALS United Orange County is excited to announce the ALS United Orange County "Drive Out ALS" golf tournament. This year's tournament, dinner and auction will be held at Tijeras Creek Golf Club in Rancho Santa Margarita, CA on Friday, June 5, 2026.

Each year ALS United Orange County enlists the help of corporate sponsors and individual donors to help bring awareness to this devastating disease by supporting our silent and live auctions. Proceeds from our event support ALS United Orange County by helping individuals and families in our local community impacted by ALS (Amyotrophic Lateral Sclerosis) – a disease that currently has no cure.

To help make this year's tournament a success, we need your support. We would appreciate it if you would consider donating items for our live and silent auctions and/or merchandise for tee prizes. Enclosed is an Item Donation Form. Please complete the form and return it to Liz Doram at ALSUOC, 14471 Chambers Road, Suite 111, Tustin, CA 92780, or email ldoram@alsuoc.org. If you have any questions or would like to support the tournament and dinner as an official sponsor, please contact Natalie Villegas at (714) 285-1088 or email nvillegas@alsuoc.org.

Auction items will be available for viewing online on Tuesday, June 2, 2026. For maximum visibility, we ask that all items be sent to the office no later than Thursday, May 1, 2026.

Thank you in advance for considering our request and for supporting ALS United Orange County.

Sincerely,

A handwritten signature in black ink that reads "Natalie Villegas".

Mark Doram pictured with his family.

After my husband Mark was diagnosed with ALS in 2013, the ALSUOC (ALS United Orange County) became a lifeline for our family. I have volunteered with this amazing organization for the past 10 years, and I've seen firsthand the profound impact they have on local ALS patients and their loved ones.

The ALSUOC provided us with the care, compassion, and education we desperately needed during that difficult time. Their monthly support meetings connected us with healthcare professionals who prepared us for what lay ahead. The organization also maintains a "loaner closet" stocked with essential medical equipment - wheelchairs, scooters, lifts, and more - which they provide at no cost to families. Beyond that, the ALSUOC assists with ADA-compliant modifications, allowing people with ALS to maintain their independence and dignity for as long as possible.

I'm honored to be part of this incredible group of people who are committed to supporting ALS patients and their families. The funds raised by the ALSUOC go directly to these critical services, and I'm grateful for any donations that will allow them to continue this vital work. Thank you for your generosity.

Sincerely, *Liz Doram*
